

INFORMATION NOTICE CONCERNING THE PROTECTION OF DATA

In compliance with the current legislation on personal data protection, in particular with regard to article 19 of the Federal Act on Data Protection of 19 June 1992 (nFADP) and to art. 13 of the EU Regulation 2016/679 of the European Parliament and Council (the “General Data Protection Regulation” or “GDPR”), IBSA Institut Biochimique SA (the “Company”), in its capacity as “Data Controller” (for details of its identity, see below), has a duty to provide certain information concerning its use of your personal data.

1. Purpose of the personal data processing

Your personal data are only used for the following purposes:

- (i) respond to a contact request to receive information
- (ii) registration and participation to the webinar in relation to which your registration is in progress (the “Webinar”).

2. Nature of the provision of the personal data and consent

The provision of the data is optional but necessary for responding in case of your contact request or for your registration and participation to the Webinar. Refusal to provide the data will make it impossible for you to participate to the Webinar.

We inform you that the processing of your personal data for the purposes set forth under above paragraph 1 is carried out in accordance with art. 6.1 b) of the GDPR.

3. How the data are processed

The data are processed through information technology procedures or in any case using automated means or printed matter by persons, either internal or external, specifically responsible for this task and bound to confidentiality. The data are protected by the security measures envisaged by the legislation, designed to prevent unauthorised access, loss or destruction.

4. How long the data are kept

The data will be kept for the time strictly necessary for the accomplishment of the purposes set out in this notice and in any event not later than six (6) months from the date when they are collected in accordance with the applicable laws and regulations pertaining to the purposes set forth under above paragraph 1.

5. Communication of the data

The data may be used by personnel of the Company that have been given appropriate operating instructions under an obligation of confidentiality. The data may also be used by third-party companies providing operational services on behalf of the Company, which act as external data processors under the direction and supervision of the Company. The updated list of the categories of data recipients can be obtained by writing to privacy@ibsa.ch.

6. Transfer of the data abroad

In accordance with the laws and regulations that we are subject to, your personal data will not be communicated and/or transferred outside Switzerland or EU countries or countries that provide the same level of protection envisaged by the applicable legislation.

7. Rights of the data subject

In relation to the processing of your personal data, you have the right to be informed at any time about your data held by the Company and how they are used. You also have the right to have the data updated,

corrected or erased, to request their portability or restriction of processing, in the cases provided for by law, and to object to the processing of the data unless the Company has a legitimate interest in the data. To exercise your rights and to obtain more detailed information about the persons or categories of persons to whom the data are communicated and/or transferred or who become aware of the data as controllers or processors, you can contact us:

- by e-mail, at: privacy@ibsa.ch

- by post, at: IBSA Institut Biochimique SA, Privacy Dept., Via del Piano 29, 6926 Collina d'Oro – Montagnola, Switzerland.

Lastly, we remind you that you have the right to lodge a complaint with the Personal Data Protection Authority if you consider that your rights have not been respected or that you have not received a response to your requests in accordance with the law.

8. Data Controller

The Data Controller is IBSA Institut Biochimique SA with registered office in Via Pian Scairolo 49, 6912 Lugano-Pazzallo, Switzerland.

9. Data Protection Officer

The Company has appointed a Data Protection Officer or DPO. The DPO can be contacted via the following communication channel: dpo@ibsa.ch
